

# J. Masterson Construction News

## *Masterson Performs Emergency Utility Repairs*

[J. Masterson Construction](#) was recently called to the [Northshore Mall](#) in Peabody for an emergency water main break in the middle of a blizzard. While our [snow management](#) operations were also ongoing at the same location, we were able to repair the broken water main that night. One of our [current projects](#) includes an emergency service agreement with the [Simon Property Group](#) at 4 of their local malls for [utility repairs](#).

*As one of the largest non-union site and utility contractors in Eastern Massachusetts, J. Masterson Construction is capable of handling projects of all sizes. Our company has been offering site development, utility installation, roadway construction and environmental services for over 30 years.*
