Now Introducing MasterRents

J. Masterson Construction has recently launched a new equipment rental division, MasterRents. As part of the Milton Cat Alliance Program, MasterRents has access to the full line of Milton Cat equipment including skid steers, mini-excavators, loaders, dozers, excavators, backhoe loaders, off-road trucks, telehandlers, lifts, generators and air compressors. Equipment is available for rent by the day, week, or month. Initially specializing in small equipment MasterRents looks to focus on the growing need for short term rentals of small equipment with specialized attachments. For more information check us out online at www.MasterRents.com.
