New Client New Job

J. Masterson is pleased to have the opportunity to work with a new client Stanmar, Inc. We will be working at Tufts University in Medford, MA installing the utilities and excavating for the new [Steve Tisch Sports and Fitness Center](#).

For more information about this project or other recent projects we have worked on check us out online at www.jmasterson.com.

J. Masterson Construction Corporation is a full service site and utility contractor that offers a broad range of services including site development, utility installation, roadway construction, environmental services and property maintenance. We are a fully bonded and insured company with a very competent employee base and a significant equipment fleet. Founded in 1981, J. Masterson has grown continuously over the years due to retention of quality employees and commitment to customer satisfaction.
