Masterson Expanding St. John's

[J. Masterson Construction](#) is once again working with [Windover Construction](#) at [St. John's](#) in Danvers MA. As part of the master plan to build a middle school on campus a STEM building is currently under construction. This is our second project with Windover at St. John's and the sixth in the past three years. Other projects have included [Conifer Hills](#) in Danvers MA, [Institution For Savings](#) in Topsfield MA, [Holcroft Park Homes](#) in Beverly MA and [Phillips Academy Boathouse](#) in Methuen MA.

As one of the largest non-union site and utility contractors in Eastern Massachusetts, J. Masterson Construction is capable of handling projects of all sizes. Our company has been offering site development, utility installation, roadway construction and environmental services for over 30 years.
