Three New Projects for One Repeat Customer

J. Masterson is excited to once again be working with the [Whiting-Turner](#) Contracting Company. We are working at three [Wheelabrator](#) factories in Millbury, MA, North Andover, MA and Saugus, MA. The fast track projects are scheduled to be completed by the end of December.

For more information about this project or other recent projects we have worked on check us out online at www.jmasterson.com.

J. Masterson Construction Corporation is a full service site and utility contractor that offers a broad range of services including site development, utility installation, roadway construction, environmental services and property maintenance. We are a fully bonded and insured company with a very competent employee base and a significant equipment fleet. Founded in 1981, J. Masterson has grown continuously over the years due to retention of quality employees and commitment to customer satisfaction.
