[J. Masterson Construction](#) is excited to announce the expansion of our rental division MasterRents! MasterRents has recently acquired the heavy equipment division of MME Equipment. Along with increasing the amount of heavy equipment in the fleet the acquisition also brings boom lifts into the MasterRents fleet.

In order to handle the growth, MasterRents has added a full time salesman Al Garber to our team. Al has been in the equipment rental industry for over 20 years and is a customer service driven professional. If you would like to contact Al about rentals you can do so via email at AlGarber@MasterRents.com or by cell phone at 978-880-2727.

MasterRents located in Danvers, MA, is a locally owned rental company with an ever growing fleet of new and late model heavy equipment. MasterRents is also part of the Milton Cat Rental Alliance Program which gives us access to the full line of Milton Cat Equipment. For more information please visit us at MasterRents.com.

J. Masterson Construction Corporation is a full service site and utility contractor that offers a broad range of services including site development, utility installation, roadway construction, environmental services and heavy equipment rentals. We are a fully bonded and insured company with a very competent employee base and a significant equipment fleet. Founded in 1981, J. Masterson has grown continuously over the years due to retention of quality employees and commitment to customer satisfaction. Check us out online at www.jmasterson.com.
